

Calhoun County Schools **Connections**

A publication for employees of the Calhoun County School System Dec. 9, 2002

From the Superintendent...

CONGRATULATIONS AGAIN. Calhoun County Teachers are the best!! Westinghouse Anniston recently announced the "We Care" educational grant winners. A total of 75 grant applications were submitted, with 26 grants awarded. Twenty-one of the grants were awarded to teachers in the Calhoun County School System. The grants recognize and support excellence in teaching by providing funds for innovative approaches to teaching science, mathematics, and technology. Westinghouse Education Outreach Director Donna Jackson presented the grant awards at a reception held at the Central Office on December 5, 2002.

The following are grant recipients:
Alexandria Elementary - Lynn Newell
Alexandria Elementary - Peggy Roswell
DeArmanville - Kimberly Mueller
DeArmanville - Paula Stenmore
